Will Present Play at New Lenox

Tea cups and what appears to be a nine iron are part of the props in the one-act comedy, "A Woman's Privilege," to be given in the Haven school auditorium next Thursday night, Oct. 25, by a cast from the Methodist Drama club at New Lenox. This picture, taken during a rehearsal of the piece shows (left to right) Mrs. Donald Anderson, Mrs. John Sullivan, Gerald Johnson and Evans Drotts. Apparently the photographer left before Mrs. Anderson handed a cup and saucer to Mr. Johnson and there is no record—pictorial at least—as to whether Mr. Johnson was able to discard the golf club and field the cup etc. without breakage.

Nixon to Speak At Park Forest Next Thursday

Vice President Richard Nixon will speak next Thursday morning, Oct. 25 on the Plaza at Park Forest. The meeting is scheduled for 9 o'clock and will be the only appearance of the vice president in south Cook county during the present campaign.

The rally at Park Forest is expected to draw a large number of Will county residents, particularly from the eastern part of the county, according to Eugene Norene, Republican committeeman from Monee. The meeting is sponsored by the Republican organization of Rich township and the Will County Republican central committee.

In the event of rain the meeting will be held in the Holiday theatre.

Those in charge plan to serve the crowd with what they describe as a continental breakfast, orange juice, coffee, rolls and doughnuts.

Vice President Nixon will leave Chicago next Thursday morning at 8:15 and is scheduled to arrive at Park Forest at 9 o'clock. He will remain there until 10:15 at which time he will return to Chicago.

Nixon has been carrying the Republican standard thru most of the states in the current campaign and has been attracting large crowds wherever he goes.

Dry Weather Is Fire Threat

Mokena fire department officials make an urgent plea to farmers—echoed by departments thruout the area—to plow broad belts around their buildings where they are exposed to open, dry fields or pastures where grass is high. This is one of the driest

Loses Foot As Result of Accident Unloading Corn

A 75-year-old Green Garden farmer suffered the amputation of his right foot as a result of an injury last Saturday when he became caught in a corn elevator.

The victim is John Reed. He is now in Silver Cross hospital where his condition is reported to be satisfactory.

The accident occurred last Saturday forenoon. Mr. Reed was loading corn into a crib. It was the last load. Clinto Mark was up in the crib. When the elevator came up empty Mark went down to see what was wrong.

When he reached the wagon he found Mr. Reed on the ground, with his right pant leg caught in the knuckle of the tumbling rod and gears of the elevator.

Mr. Mark shut off the power but was unable to release Reed until help arrived.

As soon as the victim was freed he was taken to the hospital Examination by Drs. Irving Rudman and Claude Otto revealed the foot and ankle was so badly mangled that amputation was required at the ankle.

New Chevrolet Will Make Its Bow Tomorrow

Fuel injection and a new triple-turbine automatic transmission will make their debut on the 1957 Chevrolets.

The Chevrolet Motor Division announced today that fuel injection will be introduced on the Corvette engine, a lively new V8 of 283-horsepower that is to be available as an option thruout the line of Chevrolet passenger cars. Also unveiled for the first time is the new transmission, known as the Turboglide.

The 1957 Chevrolets go on display at dealer showrooms, tomorrow, Oct. 19. In addition to

New Lenox Expects to Get Toll Free Phone Service to Joliet

Illinois Bell Telephone Co. has developed a plan for providing New Lenox toll free calling to 30,000 phones in Joliet and Lockport, it was announced today by Manager Howard Gramm.

He said the plan was in response to the requests of subscribers, some of whom had approached the Illinois Commerce Commission, asking that their local calling area be extended.

The addition of Joliet and Lockport would increase the number of telephones in the New Lenox local calling area to a total of more than 32,500, almost twenty times the present number.

At the present time, subscribers can call about 1,700 telephones in New Lenox and Mokena without extra charge. Calls to Joliet and Lockport which are proposed for inclusion in the new calling area are now ten cents for the first five minutes and five cents for each additional three minutes.

Under the proposed plan, these charges would be eliminated, while basic rates would be increased. For residence and rural service subscribers, the increase would range from about two cents to about four cents a day, depending on the class of service. For most business subscribers, the increase would amount to about fifteen cents a day.

"Telephone calling plans of even a decade ago are no longer adequate for growing communities like New Lenox," Gramm stated. "This plan is in stride with modern developments."

Reciprocal plans have been developed for Joliet and Lockport. The reciprocal arrangements provide for toll-free calling in both directions so that New Lenox can also be called on a toll-free basis.

Gramm said that he and other telephone company representatives had recently discussed the plan with local officials and community leaders in the towns involved, and that the response was favorable. He said that, as a result, Illinois Bell is making a formal request to the Illinois commerce commission.

The manager pointed out that calling between communities normally increases three to four times when extended area calling is introduced, an indication of the added value subscribers receive from their telephone service under plans of this kind. To prepare for this, he said the company would be required to increase both central office and cable facilities above normal requirements. To do this job, he said the company would require some 15 to 20 months after final approval is granted before the service could be offered.

Last year, 20,500 veterans and dependents of veterans gave the American Red Cross power of attorney to represent them before the Veterans Administration.

Chemist-Author Will Speak At Phi Chem Dinner

Dr. Otto Eisenschiml, chairman of the Board of the Scientific Oil Compounding Co., will be the guest speaker at the third annual Phi-Chem Association parent-friend banquet.

Dr. Eisenschiml was born in Vienna, Austria in 1880, a son of American parents. From 1901 to 1912 he was employed as a chemist with the Carnegie Steel Co. at Pittsburgh and the American Linseed Co. in Chicago.

During World War II he was a member of the Chicago Chem-

Dr. Eisenschiml

ical Defense Council and Executive Committee Associated Defense Committees. He is now chairman of the Chemical Warfare Consulting Committee of the Chicago Civil Defense Corps. Dr. Eisenschiml is also a member of the National Research Council and the New York Academy of Science.

In addition to his scientific interests, Dr. Eisenschiml is also a historian of note. He has written a number of books, among them "Why Was Lincoln Murdered?" "In the Shadow of Lincoln's Death", and "The Story of Shiloh." The first was adapted into a play and performed at the Shubert theatre in New York City in 1942 under the name, "Mr. President."

During the evening new members will be introduced and membership cards presented following the banquet. Individuals who wish to attend may obtain tickets from any Phi-Chem member or by calling the high school. The banquet will be held Oct. 31 at 6:30 pm. in the school cafeteria.

Future building needs of Lincoln-Way high school were outlined by Supt. A. Hunter Chapman at a meeting of the Parent Teacher group held at the school.

With an increase of approximately 125 pupils expected next year additional class rooms will be necessary, Supt. Chapman said.

He added that after the district makes a payment next month on the original building bonds now outstanding the board will be in a position to again use the limit of its bonding power and is considering the calling of a referendum in December to submit such a proposal to the voters.

If additional funds are forthcoming from this source, Mr. Chapman pointed out, construction on additional rooms could be started in the spring, with no appreciable increase in the tax rate.

If construction can be started in the spring, Chapman continued, the rooms would be ready for use next fall.

Lincoln-Way school was designed so that it would be easy to make additions.

The district served by the school like all suburban areas is having a steady growth in population. New families are moving in and that means more children. Grade school enrollments are up and for years to come are expected to feed an ever increasing number of pupils into Lincoln-Way high.

The board hopes to be able to put on a 4 room addition to the school but probably will not have sufficient funds to finish all of them immediately.

The board will pay \$55,000 on its bond account Nov. 1 so that it would be able to float a \$70,000 bond issue if approval is given by the voters.

The board's architects estimate that it would cost about \$100,000 to complete a four-room addition at the northeast corner of the present plant. If three of the proposed rooms could be finished this year the board might be able to complete the other thru use of the building fund in another year or two.

The equalized assessed valuation of the Lincoln-Way district is \$27,660,000, an increase of \$240,000 over the preceding year. It is the feeling of school officials that the figure for the increase is not realistic in the face of building activities.

As of this time the cost to educate a high school student is approximately \$500. There are 545 students in Lincoln-Way now. Next year the enrollment is expected to be about 660.

Choose Teams For Cake Sale

A holiday-fruit cake sale by the Mokena Lions club is planned to raise funds for the Mokena Community Park recreation project. Cakes will go on sale Oct. 26 when they may be purchased from any member of the club, according to president Walter Spiewak.

New Suburban Parent Group To Aid Handicapped Children

A new group of parents of handicapped children of south suburbans will be organized at 8 o'clock tomorrow night, Oct. 19, at Faith United Protestant church, 10 Hemlock, Park Forest.

All parents in the area who have a child with a physical, mental or emotional disability are invited to attend the meeting. Problems of schools, nursery schools, recreation, treatment facilities, community understanding and other needs will be considered.

While no geographical boundaries have been fixed, it is contemplated that membership in the new group probably will cover Cook county at least as far north as Harvey, as well as neighboring communities of Will county.

Dr. Raymond Lesser, Park Forest pediatrician, will speak on problems he has observed among handicapped children and their families.

To help parents start a discussion of presently unmet needs for handicapped children, Arnold Levin, executive director of the Community Service society of Park Forest, will preside.

Levin, who has been with the agency since its incorporation in 1953, holds a master's degree in social service administration from the University of Chicago and a certificate in the Child Study Program of the Chicago Institute of Psychoanalysis. His experience includes group therapy with children and service with a child guidance clinic.

The south suburban area's lack of certain kinds of facilities and

inadequacy of others present handicapped with undue obstacles toward happy and useful lives, according to parents, doctors, public health officials, educators and social workers familiar with the problems.

In education, for example, no facilities have been established for children with certain disabilities, while some special classes in other fields have been suspended despite continued need.

Lack of classes and other facilities near home leaves many handicapped children with the alternative of going away to public or expensive private institutions or staying at home, unable to make proper progress.

It is felt that formation of a new parents group for children with all kinds of handicaps be effective in coping with problems common to all, such as legislation for schools and other facilities, recreation outlets and sitting service.

The new organization is not intended to take the place of parents groups which are concerned with a specific handicap. Members of such groups have indicated interest in taking part in the new group too.

Thought has been given to the possibility of setting up special committees within the new organization for considering specific handicaps for which there is no separate group.

Problems of children who are multiply handicapped or who have a disability not yet clearly defined can be approached by the new group.

Besides concerted action, the new group can provide the benefits of hearing speeches by authorities on various subjects and talking with other parents about common problems.

Purposes, objectives, programs and a name for the new organization will be discussed at the opening meeting.

Frankfort Man Graduates From Traffic School

Lee H. Gericke, who resides on 80th ave., Frankfort township a member of the Park Forest police department, was one of the class of 63 policemen from three nations graduated from Traffic Institute of Northwestern university on Oct. 12.

Twelve state, the District of Columbia, Alaska, Canada and Iran were represented in the class. The course covered a period of three weeks; it began Sept. 24.

Designed for supervisory and administrative police officers, the training covered three main areas of police traffic work: accident investigation, traffic law enforcement, and traffic control. In addition, supporting and co-operative police activities were stressed, along with the management aspects of police traffic service.

Initiate Four In Honor Society At Lincoln-Way High

In an impressive ceremony held in the gymnasium Oct. 12, four students were initiated into the National Honor society of Lincoln-Way High school. The initiates were Virgil Hammond, Beverly Lauffer, LaVerne Mark, and Jeanette Sievert. The president for 1956-57, Janet Feil, presided and was assisted by Allan Mager, Donna Rae Meyer, Janet Bauch, and Ron Knakmuhs.

Membership in National Honor society is limited to a certain percentage of the junior and senior classes. Juniors are initiated in the spring and additional seniors may be initiated the next fall. Candidates are rated in four areas, scholarship, leadership, service, and character. Other senior members are Beverly Jones, Andree Ledebuhr, Bruce Damerell, Darlene Wahl, Denny Wheeler, and Shirley Kule.

Solemnize Bachara-Brandau Nuptials In St. George's Church

Helene Bachara, daughter of Mr. and Mrs. Robert Bachara of Tinley Park, exchanged vows with Albert F. Brandau, son of Mr. and Mrs. Albert C. Brandau, in a double ring ceremony on Sept. 9 at 3 p.m. at the St. George Catholic church, with the Rev. James McKeown officiating. The bride's father escorted her to the altar which was beautifully decorated with large white 'mums. There were four pew ties of white pompoms and greens.

The bride's gown was a lovely creation of lace and orgazine, having a scalloped neckline outlined with pearls and a chapel train. The fingertip carried a bouquet of white orchids, stephanatis and glacier day.

Aurelia Bogdan, the maid of honor, wore a waltz length dress of capescine crystalette and carried yellow Fugi 'mums with snowdrift pompoms. The bridesmaids, Lois Betzewieses and Lynne Robert wore waltz length dresses with matching hats in veil was attached to a coronet of pearls. She wore her mother's pearl necklace and earrings, and capescine crystalette. Their bouquets were of yellow Fugi 'mums Elizabeth Bogdan, the flower girl, wore a floor length dress in capescine crystalette. She carried white pompoms in a wicker basket and wore a crown of white pompoms with ivy for a head piece. The bride gave the Blessed Mother a bouquet of

flowers at the church which were of white 'mums with a blue ribbon.

The groom's attendants were Roger Pierce, Daniel Bachara, Richard Bachara and George Cook, Tom Blakemore and Louis Bachara served as ushers.

Miss Ann Feldner, organist, accompanied Robert Menter who sang "Ave Maria," and "On This Day Oh Beautiful Mother".

The bride's mother wore a gown of Dior blue silk with Dior blue hat and gloves and navy blue shoes and purse. Her corsage was of orchids with stephanatis. The groom's mother wore a pink beige dress with pink hat and gloves, and brown shoes and purse. Her corsage was of lime orchids. Honored guests was the bride's grandfather, Vincent Bogdan.

The reception was held at the Marshall Square ballroom in Chicago where dinner was served to approximately 350 guests. The bridal table was decorated with red and white carnations. The three tier, square wedding cake was topped with a lighted church with a replica of the bridal party on the stairs.

The newlyweds motored to Florida for their honeymoon, staying at the Jolly Rogers hotel in Fort Lauderdale. They plan to make their home in Tinley Park. The bride was employed at the Prudential Insurance Co., and the groom, by Brandau Excavating.

Kirby Community Club Holds Party

The place for the card and buncos party, sponsored by the Kirby Community Club, has been changed from Kirby school to American Legion hall, Tinley Park. The facilities are more adequate at Legion hall, and also the central location of the hall will be more favorable to those planning to attend it was explained.

The time is still the same, Friday, Oct. 19, at 8 p.m. There will be refreshments, table prizes and other prizes.

The club has decided this year to present the Kirby school with a movie projector and screen, and the proceeds of this party will go toward its purchase. Those in charge hope for a large attendance. Tickets may be purchased in advance from members of the club, or at the door.

Women's Club Board to Make Tour of State

"Federation in Action" will be the theme of thirty-two officers and chairmen of the board of directors of the Illinois Federation of Women's clubs as they tour the state, conducting conferences on their programs of work for the coming club year.

Leaving Chicago on Monday, Oct. 22, the clubwomen will travel by bus to Villa Park for the first series of conferences which they will hold in the Community church from 10 a.m. until 3:30 p.m.

The vice president-director of the Northern Region, Mrs. G. V. Malmgren, Chicago, has been assisted in making arrangements for these conferences and for the luncheon to be served at noon, by Mrs. Clay Taylor, of Downers Grove, president of 11th district. Members of the Villa Park Woman's club will act as hostesses, with Mrs. Arthur, 707 S. Villa st. as reservations chairman.

State officers and chairmen on the tour will be entertained at dinner on Monday evening by the state president, Mrs. Ervin J. Heckel, at her home in Downers Grove.

Mendota has been chosen for the second day's conferences which will be held at the Methodist church at 10 a.m. on Tuesday, Oct. 23. Here, Mrs. Isaac Hoge, Morris, president of 12th district, will be hostess, assisted by members of the Mendota Woman's club, and by Miss Mildred Staldors, Mendota, reservations chairman.

Highlighting the conferences will be the address of the president, Mrs. Heckel, whose subject will be the theme she has chosen for her term of office: "Let me live in my house by the side of the road and be a friend to man."

These conferences are open to all federated clubwomen thruout Illinois.

He is an excellent evangelistic preacher, having served as an itinerant for nearly seven years. He understands the problems of the laymen, and has a spirit filled message that will challenge both young and old, according to the local church officials.

He is a graduate of Northwestern university of Chicago and did graduate work there also.

Although the major interest of Mr. Liddell's ministry is preaching, he is a writer and has contributed articles to the "Herald of Holiness" and "Come Ye Apart."

Tinley Club to Aid Patients At Infirmary

A sale of articles made in the Occupational Therapy Shop at Oak Forest will be held at the meeting of the Tinley Park Woman's club, on Oct. 24, at 1:15 p.m. in the Tinley Park school. Mrs. William McLain is O. T. chairman.

A film, "The A B C's of Decorating", will be presented by Mrs. Walter Eichelberg, program chairman.

Mrs. Hilding Anderson will be chairman of hostesses for the afternoon.

The following articles are needed in the O. T. Shop: Paper bags, shopping bags, clean wool and cotton materials, old and new drapery and upholstery fabrics, felt hats, orlon and nylon sweaters, notions, old clothing, neckties, burlap bags, potatoe chip cans and pocket size magazines. Anyone who wishes to donate these items may call Mrs. McLain, at KE 2-2929. Members may bring them to the meeting.

Fete Mokena Pastor, Wife on Anniversary

The 40th wedding anniversary of Rev. and Mrs. William J. Riemann of St. John's Evangelical church in Mokena was the occasion of an informal reception by their relatives, friends and members of St. John's church on last Friday evening in the church parlors.

Adolph Steen acted as master of ceremonies. Oliver Kieslar led in singing with Mrs. Donald Maue at the piano. Mrs. Robert DeForest acted as hostess with the assistance of others. Mrs. Ludwig Thiel demonstrated her usual originality and skill with appropriate floral decorations. Speaking at the occasion and offering felicitations were the Rev. Erich Bizer, of Frankfort and his wife who was one of the bridesmaids forty years ago and Rev. Karl Meyer of the Evangelical hospital, Chicago, brother of Mrs. Riemann.

Zion Ladies Hold Birthday Luncheon

Oct. 3 found 38 members and four guests with their president, Mrs. William Rick, enjoying the annual birthday luncheon of the Zion Lutheran Ladies Aid.

Special gifts were presented to Mrs. Minnie Goesel, Mrs. Louise Goesel, and Mrs. Cora Siemsen, all past 70.

A remembrance also was presented to Mrs. William Rick and Mrs. Fred Goebel for being members with the most years of service with the Ladies Aid. As the Happy Birthday was sung, members conducted a grand march by the giant birthday cake and dropped in their birthday pennies. Group singing also was included in the luncheon which was organized by the following committee: Mesdames, Taylor, Propp, Florence Rensink, Schantz and George Wannamacher.

The business session of the day was commenced with scripture and prayer lead by Mrs. Phyllis Darby. A bake sale has been set for Oct. 26 at Vogt's Store. Committee in charge of this affair is Mrs. William Keuch and Mrs. Melvin Gungel.

The Sew and Sew circle met Oct. 10 at the home of Mrs. Edward O'Neil with 11 members present. All fancy goods was turned in completed. A display of articles will be available for purchase at the annual turkey dinner to be held Oct. 24 from 5 to 8 p.m.

The nominating committee headed by Mrs. Edward O'Neill will prepare a list of candidates for the office of secretary and treasurer to be elected at the next meeting, Nov. 7.

Zion Lutheran's 75th Anniversary celebration will be held Nov. 4.

Following the 7:30 evening service on that date, refreshments will be served.

I Wish To Extend My Thanks

to all my friends who made the opening of our Blue Island Campaign Headquarters for Rayson a success. I am very pleased with the wonderful response and interest shown by all of you, more particularly:

1. Our many Blue Island friends and the Blue Island Committee for Rayson.
2. Independent Voters of Illinois.
3. Mr. Harry Clarke, Koenig, and Leseth, and our many friends from Bremen Township.
4. The Non-Partisan Committee for Rayson from Tinley Park.
5. The Garetto Twins for not only furnishing music for our open house, but also because of their fine contribution to our area in the field of musical training.

Sincerely,

Letters To The Editor

Hotel Milano,
Florence, Italy,
Oct. 6, 1956.

To the Tinley Park Times and Semmler's and also all the personnel that operate the plant's. Greetings:-

I thought it is about time that you should hear from us. So far we have had a wonderful trip. We spent 2 weeks with relatives in Germany, which makes this a special treat.

We joined the tour in London, Sept. 24 and from there on, on the go all the time. There are 36 in this gang. A happy bunch. We travel by a modern bus. We have a wonderful driver and a fine guide. When we get to special places a guide takes over from the place who knows all the worth-while sights and shows them to us. The weather has been excellent up to this time. In Germany they said we brought sunshine, because it rained so much they were unable to get their crops harvested.

Here in Italy it did not rain so much. So with the sun shine we are credited with and here not so much rain, makes it just right.

Well I could write a book at this time what we experienced. I'll not attempt to do so. I'm trying to get the worth while items in pictures, with the hopes that they will be good to show.

Since I'm thinking of the many friends and folks that we ought to write to and unable, could I suggest that you might publish a little note and send them our greetings, through the papers, we would appreciate this very much. We have 13 days to go. Two important places Rome and Paris, there should be a lot to see, at least that is what they tell us.

I will close for this time, hoping these few lines find you all well. We are:

With kindest regards to you all.
Yours, Henry and Ruth Bettenhausen

Conservation Reserve Program Open to Farmers

Any farmer interested in placing land in the conservation reserve part of the Soil Bank program for 1956 and can meet eligibility requirements should call at the ASC office in Joliet immediately, stated Roy M. Smith of the Will county committee. Contracts effective for the year 1956 must be signed and filed by Nov. 30, 1956. Tentative arrangements for entering into a contract beginning with 1957 can also be made at this time, stated Mr. Smith.

The conservation reserve program is a long term program to divert land that is regularly used for crop production to conservation uses. The Federal Government will assist in establishing conservation practices and make annual rental payments for the designated acreage.

To get started in the Conservation Reserve Program for 1956 the farmer, Chairman Smith said, must have complied with (1) his Soil Bank corn base, (2) the larger of his wheat allotment, or 15 permitted acres, and (3) any other allotment established for the farm. He must designate an area of cropland which has not been grazed or harvested in 1956 as the Conservation Reserve and must have made a reduction in the acreage of specified crops this year. Furthermore, he agrees to establish and/or maintain cover or other needed conservation practices on the Conservation Reserve and agrees not to graze

Walter Seiffert, VFW Installs New Officers of Teen Club

Tom Mortenson was installed as the fifth president of the Tinley Park Teen club at ceremonies held last Thursday.

He succeeded his brother, Roy Mortenson, who was president last year. Other officers installed by Walter Seiffert, past-commander of the Veterans of Foreign Wars, were Sharon Hasse, vice president; Madeline Hasse, secretary; and Rae Moschel, treasurer.

A color guard consisting of VFW members presented and retired colors before and after installation ceremonies. They were Bob Hill, officer of the day; Ray Sullivan, Jr., vice-commander; Russell Bennett, Don Morris, and Bob Enzenbacher.

Pete Seeley, representing police chief Harold C. Moore, presented Joe McCarthy, director of the Teen club, with an award of merit from the police department in recognition of his interest and services rendered in the interest of youth thru the Tinley Teen club.

Mayor Jeffords was a special guest. He spoke of Youth Week, an annual event where teens

or harvest from the area during the life of the contract.

Contracts which include 1956 must be signed by all interested producers on the farm and will run from 4 to 11 years, depending on individual situations, Mr. Smith advised. Payments for participation are of two kinds—cost-sharing, based on approximately 80 per cent of the cost for carrying out conservation practices, and an annual rental payment for the period of the contract. This basic \$12 per acre. Final sign up date annual payment in Will county is for accepting 1956 conservation reservation contracts has been extended thru Nov. 30.

Schuldt Staff Views Plymouths New Chryslers

Al Schuldt and the staff of Schuldt Motor Sales, 17459 Oak Park ave., spent last Monday in Milwaukee previewing the new 1957 Plymouth. After examining the new model from stem to stern they are enthusiastic about its many features and are preparing now its showing in Tinley Park Oct. 30.

The 1957 line of Chryslers, which Mr. Schuldt and his sales staff viewed at the Chicago Stadium last Thursday, also will be introduced to the public Oct. 30. The Schuldt organization is equally enthusiastic over the new Chrysler.

By trade, St. Paul was a tent-maker.

assume duties of village officials and emphasis and recognition is given to local teenagers, expressing the hope that future administrations retain the tradition.

Following the installation, dancing was enjoyed to the music of Tom Noonan and the Serenaders orchestra. James Quinn handled the ivories in professional style, Bob Smith played the trombone, Guy Luttrell, the string base, and Tom Noonan, drums.

The Tinley Teen club was organized five years ago by Joe McCarthy with 45 members. At present time, the total membership is 145 with 75 honorary members.

The teens hold meetings every Thursday evening in the VFW club rooms. At social meetings, they dance to juke box music and cokes are served.

Their many activities include bowling. At present there are eight teams bowling on Sunday afternoons, of a total of 40 bowlers. Roller skating, swimming parties and other activities occupy the winter months.

Plan Installation Of Missions Head In Methodist Church

The Rev. John H. Hager, new superintendent of the Chicago Home Missionary and Church Extension society of the Methodist church, will be installed in ceremonies at Chicago Temple 77 W. Washington Street, Chicago, Oct. 22.

George F. Dixon, Jr., president of the society, will preside over a brief business session following the dinner which will begin at 6:30 p.m. Then Mr. Dixon will turn the meeting over to Bishop Charles W. Brashares for the installation service. Special music will be presented by the Korean Methodist church choir.

As superintendent, Dr. Hager succeeds the Rev. Dr. Aubrey S. Moore who served as superintendent from 1935 until his death, December 12, 1955. Dr. Hager was pastor of Central Methodist Church, Skokie, from 1952 until his appointment as executive for the Missionary society last July 1.

Rocking Horses Can be Tough, Young Buckeroo Discovers

John Kiedaisch, 3 year old son of Mr. and Mrs. Charles Kiedaisch, West Front st., Mokena suffered a broken collar bone last Saturday. He and his parents were visiting relatives in Berwyn. John's small cousin, Laura, 3 years old was riding her rocking horse near John, when she and the rocking horse

fell over, landing on little John, breaking his collar bone.

John was removed to Silver Cross hospital where the bone was set and a shoulder brace applied.

Mokena Folk Repair

Scout Buildings

Fathers, brothers and friends of Mokena Girl Scout went to Channa Chalet in Mackinley Woods a week ago Sunday to put a new roof on one of the troop camp shelters.

Girl scout leaders and scouts prepared beefburgers, hot-dogs, fried potatoes and coffee on outdoor fires in addition to fried chicken and a variety of other dishes brought from home. The weather was ideal for such a project and all volunteers enjoyed the outing in a beautiful fall setting.

After completing the roofing project the men and boys helped wash the boats and carry them to storage for the winter.

Those who had never visited Channa Chalet were captivated by the beauty of the setting and the facilities for camping. Shallow water along the waterfront makes boating safe for the girls and the canal beyond the dam provides a constant, shifting scene as the boats move along the waterway.

Although individual volunteers have given time and labor for troop camp upkeep and repair this is the first time the Mokena Neighborhood has undertaken so large a project as its own to complete.

complete.

Those fathers who so generously donated their time and labor were: Loren Collins, Hans Mueller, Donald Ambuehl, Harold Behen, Robert Lang, Oliver Kieslar. Brothers and friends of Girl Scouts were: Cecil Ambuehl, Bill Lavezzi, Delbert Yunker, Richard Englehardt, Robert Munch, Fred Kieslar and Don Alexander.

Usher at Jamboree

The members of Senior Girl Scout Troop No. 225, under the direction of their leader, Mrs. Robert Funk, are to be the usherettes at the Tinley Park Girl Scout jamboree on Nov. 4, at the Tinley Park school. All other scout troops in Tinley, that is both Brownie and Intermediate, are participating in this rally by preparing interesting exhibits concerning various phases of their scout work and activities, and by taking part in the entertaining program that will be given.

Mrs. Raymond Anderson, who is general chairman of the jamboree, says the public is invited to attend and she feels confident that everyone will have an enjoyable afternoon, and that refreshments will be served following the program.

Tinley Hustlers

Monday, Oct. 8, the Tinley Hustlers held their meeting at the home of Norma Jean Witte.

The following officers were elected: Lee Roy, president; Walter Wille, vice president; Elaine Butzer, secretary and Jerry Curl, treasurer. Enrollment cards were distributed.

The county achievement meeting will be held November 1 at Homewood Village hall.

Refreshments will be served by Mrs. Henry Witte.

HELPING HAND 4-H CLUB

The Helping Hands 4-H club held their first scheduled meeting of the new year, Oct. 12 at the home of their leader, Mrs. Leroy Bauman. Sixteen members and a mother, Mrs. S. W. Kluge, were present.

The following officers were elected: President, Shirley Younker; vice president, Marlene Ogden; secretary, Betty Ann Johnson; treasurer, Dona Martin; reporter, Dorothy Jean Stelter; telephone chairman, Maureen Phillippo; recreation chairman, Louise Bettenhausen.

A varied program is being offered this year; party-a-month, handicraft, foods and sewing. The hostesses of the evening, Marietta Kluge and Carolyn Matson, served refreshments. The next regular meeting will be Nov. 15 at the leader's home.

Tinley Girl Enters Nursing School at Passavant Hospital

Margaret Ann Bettenhausen, daughter of Mr. and Mrs. E. T. Bettenhausen, 17267 68th Court, Tinley Park, is one of 54 freshmen enrolled in the school of nursing at Passavant hospital in Chicago.

The new class, the largest in the history of the institution, began its studies last week.

Ten states are represented in the class, Illinois, Indiana, Iowa, Michigan, Missouri, Wisconsin, New Jersey, Maine, Tennessee and Florida.

Girl Suffers Skull Fracture In School Playground Accident

Clara Chapman, 10 year old daughter of Mr. and Mrs. A. Hunter Chapman, New Lenox, is in Silver Cross hospital with a skull fracture as a result of a playground accident at Haven school, New Lenox, last Friday.

The youngster was hit accidentally by a baseball bat. Clara had just returned to school from lunch when the accident occurred.

She is in the pediatrics division. Her condition is reported as satisfactory. Clara's father is superintendent of Lincoln-Way high school.

Famed Chorus To Render 1st Fall Concert

The famed Liederkrantz chorus of Blue Island will present a concert in the Eiche Turner hall, 115th and Indiana ave., Chicago at 7 pm. on Oct. 21.

The mixed chorus, which has its origin in Germany, has been delighting passersby who can hear them practice thru open windows during the past warm weeks in the Eagles hall in Blue Island.

The name Liederkrantz is derived from two German words "Lieder" meaning song, and "Krantz" meaning a wreath or circlet.

Throughout the years since it was formed, groups of volunteer singers have delighted community audiences with their fine rendition of songs old and new.

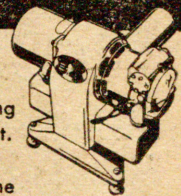

Each fall they present a public concert under the direction of Naomi West Smith, conductor.

Following the concert Sunday, Oct. 21, there will be dancing and a social.

Thomas Jefferson headed a political party called the Democratic Republicans.

The American Red Cross last year issued 202,100 certificates to persons completing its home nursing courses.

Knights Drop Two To Eagles

Sandburg Varsity Wins 20 to 14 And Frosh Are Victors 33 to 6; Dads Put Up Traveling Trophy

The Carl Sandburg elevens—varsity and frosh—gave its homecoming crowd a double thrill last Saturday when they defeated Lincoln-Way in two conference tilts.

The Eagles varsity won 20 to 14 and the frosh-soph finished on top of a 33 to 6 score.

Victory for the varsity resulted in receipt of a handsome traveling trophy by the Eagles, the gift of the Carl Sandburg Fathers club. The trophy was presented to the Sandburg co-captains, Ronald Zinn and Robert Chatlosh, by Harold Morlock, president of the Fathers club.

The trophy will remain in possession of the Eagles until the Sandburg-Lincoln-Way game next year. It is to be awarded annually to the winner of the gridiron match between the two schools.

Two touchdowns in the first half and one early in the third quarter accounted for Sandburg's scoring. The Eagles had a count of 20 to 0 at one time but then Lincoln-Way came roaring back and put over two quick touchdowns.

Sandburg's first touchdown came after a grinding march of 70 yards by Jim Voss, Ron Sanderson and Marazos and then proceeded to get the extra point for a 7-0 lead. Just before the half ended a lateral from Quarterback Bob Chatlosh to Jay Morlock enabled the latter to cross the Knights' goal line. The Eagles then converted the extra point and led 14-0 as the half ended.

This lateral business worked so well that when the second half opened Chatlosh unleashed one to Sanderson, Sanderson faded back and cut loose with a pass that was gathered in by Erickson. Erickson then dashed 34 yards for Sandburg's third touchdown. The try for the extra point this time was fumbled so the score was Sandburg, 20, Lincoln-Way 0.

Then Lincoln-Way went to work and Sandburg's lead was whittled to six points when the visitors pushed over two touchdowns.

Ron Studnicki, a halfback for the Knights made both touchdowns, going around end for

the last 20 yards for the first marker, and breaking thru the secondary after an off-tackle smash on a 47-yard run to paydirt.

Neither team was able to score thereafter and the game ended with Lincoln-Way in possession of the ball on its own 44-yard line.

The frosh-soph game was a close battle for the first half. When intermission came the score stood at 6 and 6 but in the last two quarters the quarters the Sandburg outfit dominated the play, running up 27 points while holding Lincoln-Way scoreless so that the final count was 33 to 6 in favor of Sandburg.

Hosier, Freer and Johansen accounted for most of the scoring for the winners. A reserve quarterback, McBride, tossed a 22-yard pass to freshman Larry Banks for the last Sandburg score. McBride also booted two of the four extra points. Freer also ran 64 yards to cross the Lincoln-Way goal only to have the play called back because of a penalty.

This Saturday the Sandburgs will be hosts to Morgan Park Military academy in a double header, with the first game scheduled for 12:30 o'clock. This will be the next to last home appearances.

The half time performances of the Sandburg band and card section of the Pep club added to the color and the enjoyment of the spectators.

Duck Season Now In Full Swing

A 15-minute difference in the starting and quitting time for duck hunting from east to west across Illinois was brought to the attention of sportsmen by Director Glen D. Palmer of the state department of conservation last week. The open season on ducks began Saturday, Oct. 13.

Legal hunting time for ducks and other waterfowl is one-half hour before sunrise to one-half hour before sunset. Palmer advised hunters to check with local weather stations, newspapers, and radio or television for correct time of sunrise and sunset in various sections of the state.

Hunters were also reminded by Palmer that the wood duck is completely protected this year. Last year's experiment of allowing sportsmen to shoot one wood duck per day did not work out well. The species is declining in numbers. It may be identified by its crested head, relatively short bill, and broad black tail. In flight, it moves its head from side to side.

Score three counts for the "Racing Maypoles"!

Jack Maypole, Jr., 17, set a world's speed record for class C hydroplanes at the national outboard regatta at Long Beach, Calif., last month.

Pretty Althea Maypole, mother of Jack, Jr., and wife of the regular writer of this column, was named "Miss National Outboard of 1956."

Jack himself scored a third in the class C hydroplane open competition to continue his status as one of the leading outboard racers in the country.

Which is why I am writing this column today, it being high time my friend Jack identified himself and his noted family to the readers.

Jack, Jr., is the third Maypole to gain prominence in the outboard racing world. His grandfather, the late John D. Maypole, got the family started in the sport back in 1920. John B. entered a race with a cantankerous one-cylinder Evinrude, won first place and went on to set records and win titles.

Before Jack Sr., was in his

teens he was traveling with his father and learning about racing. In 1930 he entered his first event on his own and won a 100-mile marathon at Fox Lake. That did the business for that generation.

In 1931 at Oakland, Calif., John B. took the title in class B of the professionals. Not to be outdone, Jack Sr. won the class C amateur event only to be disqualified in the final heat for jumping the gun. Determined Jack Sr. then entered the class E event and won it in straight heats. It was the first and only father-and-son national title holding occasion in outboard racing.

When Jack Sr. was only 15 he racked up 11,738 points in national competition to win the George H. Townsend medal over 1600 others. A list of his records would fill a column of newspaper. Of course, when Jack Jr. arrived and became old enough, Jack Sr. had him at an outboard tiller.

Jack Jr. ran true to family tradition winning the first race he entered at Chicago July 10, 1953. His new speed record of 60.115 miles per hour set over a marked course against time is the climax to a brief career that has added considerably to the Maypole trophy collection.

Even the former Marge Maypole, now Mrs. Payton of River Forest, qualifies by the length of a towrope. She was Illinois water ski champ being towed to the crown by an outboard.

The Maypoles have two younger sons, Bill and Chuck, who soon may be adding laurels to the family.

All of which, I hope, explains why Jack Maypole, Sr. writes about outboards and the boats they drive every now and then. (Jack Maypole is heard daily M-F over WJJD at 8:40 a.m.)

400 Students, Parents Attend 'Family Night'

Approximately 400 students and their parents participated in the Bremen Community high school PTA "Family Night" on Oct. 10.

The purpose of a "Family Night" theme was to have students introduce their parents to teachers, and in this manner form a firm line of relationship in the student, parent, teacher triangle.

The Rev. Sam A. Banks of the Community Methodist church, Markham, gave the key note speech after the usual business meeting of the group, and a few introductory remarks from T. R. Birkhead, superintendent.

The Rev. Mr. Banks is a graduate of Emory and Duke universities. He is presently a candidate for his doctorate at the University of Chicago. He has had much experience in the practical field of family counseling and psychotherapy. His remarks were primarily concerned with the importance of security and love in our lives. The centerpost of this security and love is, or should be, the family organization; therefore the family is our most important social grouping, and it should be treated as our most precious possession.

A question and answer period followed the Rev. Banks' remarks.

School Association Elects Birkhead As Board Member

T. R. Birkhead, superintendent of the Bremen high school has been elected to serve as a member of the Illinois High School association for a three year term.

Mr. Birkhead will represent District Number Five. This includes all of Cook, Will and Kankakee counties.

The Illinois High School association has functioned in the past in setting up rules for high school athletic competition, regulating the eligibility of players, rules governing athletic contest, protests and penalties against schools as a result of such contests, high school girls athletic activities, including golf, tennis and archery, music and speech contests, student council associations and maintaining an accurate listing of athletic officials qualified to officiate at high school contests of all kinds.

Board Passes 3 Ordinances at Special Meeting

The Mokena village board passed three ordinances at a special meeting held last Thursday.

One ordinance provided for a tax levy appropriation, another a federal social security plan for village employees, and the third for annexation of the new grade school property to the village.

A resolution was also passed to name the Mokena State bank as depository for village funds. Building permits were issued

to Henry Yunker to install siding on his home; to Anthony Dina for an addition to his home and to Henry Oetter to build a new house and garage on Denney ave.

WHO ARE THESE MILLION MEN THEY CALL "KNIGHTS"?

Whether you are a Catholic or not, you should know the truth about the Knights of Columbus.

Is it, as sometimes rumored, a secret society with designs against our government? Do its members really take an oath to destroy non-Catholic political power?

If such rumors were true, the Knights of Columbus would not deserve the friendship and trust of non-Catholic citizens, which it invites and merits. Actually there is no more thoroughly patriotic organization than this fraternal order of Catholic men.

It is composed of plumbers and lawyers, farmers and doctors, business men and scientists—of Catholic men at every level of the social and economic scale. Some are rabidly partisan on political and public questions. They "choose up sides" with all the freedom of any other citizens.

The Knights of Columbus was formed in 1882, by a small group of the men of St. Mary's Church, New Haven, Connecticut. They had met, at the invitation of Father Michael J. McGivney, not to form a national fraternal society, but to "render mutual aid to the members of the parish and their families."

In the years that since have ensued, the Knights of Columbus has grown into a fraternal order of more than a million members, spread over the United States, Canada and other countries of the Western World. But its purpose of "mutual aid" and its principles of charity, unity, fraternity and patriotism... remain unchanged after more than 70 years.

Millions of dollars have been spent by the order for the relief of victims of fire, flood and famine... for the support of Christian youth work... aid to Christian education. In both world wars, the

Knights performed a service of ministering to the spiritual welfare and comfort of the armed forces regardless of creed, that brought sincerest thanks from a grateful nation.

Nearly one out of every six Knights served his country in World War II, and many laid down their lives.

Despite these and many other signal demonstrations of its principles of charity, unity, fraternity and patriotism, some people have the most absurd beliefs and suspicions about the Knights of Columbus, just as they do about the Catholic Church. Even today, misinformed people give publicity at times to a false alleged Knights of Columbus oath which has been proved to be fraudulent, and which scores of others have been forced publicly to admit is untrue.

This message... and others explaining Catholic beliefs and practices... are published by the Knights of Columbus so that our non-Catholic neighbors may judge us as we really are—not as we are often misrepresented to be. If you wish, we shall send you free, in a plain wrapper, an interesting pamphlet about this international society. And nobody will call on you. Write for Pamphlet No. KC-9.

ise greater owner satisfaction than ever before. Several of the new models will be on display at the open house to be held tomorrow and Saturday at the Trump Chevrolet Sales room in Frankfort, Swanberg Farm and Auto Service Co., at Mokena also will display the new Chevrolet. Fuel injection, a long-time objective of American automotive engineers in their quest for ideal flexibility in performance, replaces the customary carburetor. Because of quicker power response and faster warm-up, it is expected to gain almost universal adoption within a few years. Chevrolet pioneers the device in its field and will be one of the few makes, regardless of price, to offer the advance on engines this year.

The Turboglide transmission is a Chevrolet exclusive. It carries the principle of torque conversion—first introduced in Chevrolet's Powerglide in 1950 to a new peak in efficiency. The triple-turbine—with infinitely variable ratio characteristics produces an uninterrupted driving force at all speeds. There is no feeling in shift.

Turbo glide incorporates an unusual hill retarder, one of many new safe-driving improvements on the latest Chevrolets. The retarder aids braking on steep downgrades. With larger area, surer traction, stronger frames and a re-design of steering wheel and instrument panel to reduce possible injuries on abrupt stops, the cars set new standards of safety.

In eye-appeal the 1957 Chevrolets differ strikingly from 1956 models. While two and one-half inches have been added to overall lengths, the horizontal sweep

of new styling motif gives the impression that the car is even longer than its 200 inches. All bodies are lower, with a reduction of an inch and a half in height of the cowl and substantially increased windshield areas.

Fourteen-inch wheels and lower pressure tires (22 pounds) further riding comfort and safety through greater traction. Crankshaft bearings are wider, longer wearing. Front suspensions and shock absorbers benefit from modifications.

ed chairman of the cake sale, and his committee is composed of six team captains: Everett Cooper, John Hubler, Roy Richardson, Charles Swanberg, Ralph Thompson and Ray Westlund.

The members of each team are: Everett Cooper's team: Fred Cappel, Harold Cooper, Bert Janner, Willard Munch, George Rinke, George Seigle and Walter Welsch.

John Hubler's team: Bill Blaha, Dr. P. T. Demus, LeRoy Harling, Charles Kelch, Glenn Miers, Art Omland, Walter Spiewak and Ralph Thoresen.

Roy Richardson's team: Art Benson, Fred Clark, Edwin Dunham, Charlie Rozek, Carol Roberts, Henry Shevlin and Walter Yunker.

Charles Swanberg's team: Ray Hollehan, George Bills, Harold Clarke, Bill Lowe, Kenneth Sherwood, Lyman Teague and John Williamson.

Ralph Thompson's team: Joe Bernardin, Kenneth Corniels, Milton Geuther, Bill Muehler, Nerval Robinson, Alvin Sorensen and Jim Wrath.

Ray Westlund's team: Maurice Angland, Albert Bilotti, Loren Collins, David Edman, Joe Grobarcik, Fred Lehmann, Richard Muehler, John Scarth and Fred Werner.

The club will offer a three-pound cake, said to be of the highest quality, sliced and gift wrapped for immediate sale or for Thanksgiving or Christmas delivery. All profits from the sale will go toward the purchase of playground equipment, for both a tot's and older children.

The above named six teams will compete in a house-to-house canvass planned to start on Oct. 26.

State Senate Candidates To Express Views

So that voters may have a chance to meet candidates for the state legislature, the League of Women Voters of Riverdale, in cooperation with other community groups, will hold a Candidates' meeting at 8 p.m. Thursday, Oct. 18, in the Roosevelt school, 146th and La Salle sts., Riverdale.

Eight candidates for five offices will each make a five minute speech, telling what they will do if elected. In addition, each will be allotted a three minute rebuttal period.

The two candidates for the Illinois senate from the 6th district are Leland Rayson, of Tinley Park, Democrat, and Frank Ozinga, of Evergreen Park, Republican. Riverdale is not in the 2nd house district.

DRY WEATHER:

falls in many years and one result is that the danger from fire has increased greatly. Flowing a fire break, eight or ten feet wide, would help in protecting farm buildings in the event of a grass fire getting out of hand.

Where it is impractical to plow, firemen suggest farmers can cut and rake dead weeds and grass.

Fire department officials also urge village residents to refrain from burning leaves and rubbish. A number of bonfires set to dispose of fall foliage in neighboring areas have grown into serious fires with resultant heavy losses.

In Mokena the above suggestions the firemen make as they are endeavoring to protect the public against loss and stimulate active interest in fire prevention.

State Lists July Shares of City Sales Tax

Municipal sales tax collection in August on the one-half cent tax assessed in July, netted 821 Illinois communities \$3,498,726, it was reported by the state department of revenue to Gov. Stratton. The major share, of course, went to Chicago, \$1,646,057.

Returns for this area show the following receipts:

Mokena, \$899.21; Frankfort,

\$661.87; New Lenox, \$764.45; Orland Park, \$463.33; Tinley Park, \$1,799.43; Joliet, \$42,600; Blue Island, \$11,025.08; Park Forest, \$6,783.29; Oak Lawn, \$7,813.78; Chicago Heights, \$18,701; Evergreen Park, \$13,283.27; Hazel Crest, \$572.52; Harvey, \$14,568.10 and Lockport, \$2,569.49.

Officials of all these communities hail the half-cent municipal sales tax as the prime means of saving their budgets. In most municipalities, officials say, the sales tax has meant the difference between operating in the black and in the red.

The money also is being used to increase services, make improvements and in a number of instances to make pay raises.

The 4-H Federation members are planning for the South Cook 4-H Recognition program. President Audrey Mascitti, Steger, has named several committees to assure a successful event. The recreation committee is arranging an eventful evening under the guidance of Joe Mulderink, Worth, committee chairman. Recognition night is scheduled for Nov. 1 beginning at 7:30 p.m., in the Homewood village hall. Outstanding achievements of 4-H members will be cited and appropriate awards given.

Ronald Kollman, chairman of the square dance committee has arranged for a Federation sponsored square dance on Dec. 7, at Tinley Park.

Last July, over 45 4-H members devoted a day to the health aspect of 4-H work. The event was the Keeping Fit field day. After the tests, the results were calculated and standardized. The highest scoring girls were: Joan Jennrich, Midlothian; Delores Koehne, Blue Island; Julia Dyrce, Blue Island; Joan Uthe, Blue Island. The four high scores for boys were: Owen Homerding, Orland Park; Jack Uthe, Blue Island; William Mueller, Midlothian and David Bukowski, Tinley Park. These scores are based on an average for twenty tests.

Anyone interested in attending the winter short course at the University of Illinois, College of Agriculture, should contact this office soon. Applications are due Nov. 1 at the University. The course runs from Nov. 26 to Jan. 17. The course is designed to bring students up to date on the latest technological and economic developments in modern agriculture. In this highly competitive era, this type of information is extremely valuable.

The annual Dairy Herd Improvement Association report shows that Illinois dairymen are really using their records to improve their herds. Last year, with the largest number of cows on test in history, these dairymen had their highest production. The 54,567 cows tested averaged 9,844 pounds of milk and 381 pounds of butterfat. This is about 100 more pounds of butterfat per cow than the DHIA average of 30 years ago.

In terms of money, this increase means that these dairymen made over \$5 million more last year than they would have made if their production had remained at the 1925 level.

The 56 dairymen who made over a 500-pound butterfat herd average in DHIA last year list high-quality roughage and close attention to details as most important in obtaining their good average.

Now is the time for poultrymen to keep adding to their deep litter. Add some litter every week or two until Christmas. By that time the litter should be at least six inches deep.

Having trouble with cannibalism? If so, darken nests and increase feeder, waterer and nest-space. In extreme cases, debeak the entire flock.

Today we have about 90,000 cornpickers in Illinois. Perhaps one of these machines belongs to you. Most farmers find that the picker is a partner in production. However, some find it to be a demon in disguise. Each operator must determine which his picker will be. Just a word of CAUTION: Throw that picker out of gear and live to pick another year.

Parents, Teens Discuss Dating

By Milton Lomask
Paulist Feature Service
Should Teen-Agers be allowed to date on school nights? When, if ever, is it all right for teen-agers to go steady? The TRI-UNE Conference of Hartford, Conn., is an attempt to answer these questions. Each conference consists of three sessions. Only teen-agers attend the first and only their parents attend the second. The third is "the knock-down-and-drag-out" session where teenagers and

parents discuss together the problems from the previous two sessions.

Meeting in parish halls and school auditoriums, each session is begun by a few remarks from the moderator, Father John C. Knott or one of his priest assistants. The starting point of the TRI-UNE approach is the Catechism definition of a person: a creature composed of body and soul, made to the image and likeness of God.

After seeing the dignity of the person, the group goes to his individuality. Parents begin to realize that tom-boy daughter can't be the lady-like girl

across the street. Teen-ager Johnny sees he is wrong when he complains Pop is not like Mr. Jones next door.

"Everyone is a creature of God, made to live with Him in heaven." "Everyone is a unique individual, seeking to love and be loved." Having understood these principles TRI-UNE sets about applying them.

Generally speaking, the teen-agers show themselves aware of the dangers in going steady. They see it prevents them from knowing more members of the opposite sex. They see it often puts them in the danger of sin-

ning. Through TRI-UNE they learn that sex is God's gift to married people, that "necking" and "petting" are occasions of sin for unmarried people.

At one final session of parents and teen-agers, each group listed what they liked about each other. Parents praised teen-agers' earnestness; criticized disrespect. One teen-ager spokesman said, "Our parents complain because we don't confide in them. But what can they expect when they give us the impression they're 'to busy.'" The results of TRI-UNE? No

official record is kept, but one happy father said, "Thanks to TRI-UNE we got things out in the open. We really cleared the air. Believe me, life is more pleasant at our house today." The increasing number of TRI-UNE Conferences indicates that many others have seen the same happy results.

Dear Editor,

"I liked Ike," but in this campaign he and his workers say "Judge us by our record" and here is an important page in that record, which I'm convinced, shows Ike's basic policy during his entire administration.

I was greatly impressed by a cartoon you ran in your Jan. 19, 1956 issue. It showed up the Upper Colorado River project so plainly that it aroused my interest. Headed with "No bargain at any price" it told of congress being asked to approve the incredible project to irrigate 583,000 acres of land at the cost of \$5,000 an acre, when at the present time almost 21 million acres of fertile farm land are idle.

To find out who was really behind the scheme I wrote three letters to Washington. In my letter to the office of the president I asked that it be sent to the proper department to be answered.

My letter asking the president's stand on the project was sent to the Department of the Interior. The answer, and I quote, "The President has approved the Colorado River Storage Project". This over the signature of E. G. Nielsen, acting commissioner.

Senator Everett M. Dirksen, Republican of Illinois, said, "At the time the Upper Colorado River project was considered by the Senate I was recorded in opposition to the measure. Let me assure you that I am deeply concerned over the expenditure of public funds to bring new irrigated land into cultivation in the western domain while money is expended from the same public treasury to reduce the acreage of farmers in other sections of the country."

Senator Paul H. Douglas, Democrat of Illinois, said "I opposed this project vigorously—the cost project on the Upper Colorado will never result in enough to repay the tax money that will be spent on it . . ."

"In spite of my opposition this

proposal was enacted into a law signed by the president on April 11." The above three letters are in my possession.

In my humble opinion this project should not have been passed especially at this time because (1) The farm surplus is costing every tax payer money and giving farmers enough headaches without more land being opened up.

(2) Conservationists in the West are fighting unnecessary destruction of national park sites.

(3) Labor is expensive and the thousands of workmen who will be needed are not crying for employment at this time.

(4) It would benefit power companies who would certainly appreciate the water power from the dams to be included in the project, but who wants to help the big companies at the expense of the taxpayer?

Am I incorrect in thinking that the approval of the President in something of benefit only to a favored few shows the trend of his thinking and policies?

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Orland Park unit 526, the American Legion Auxiliary, met at the home of Mrs. Laura Cooper, Friday evening, Oct. 12, with president, Dagmar Myrick presiding. The unit voted to again sponsor the Cub Scouts and will assume the expense of registration fees for the Den Mothers. The Unit will also take care of the district obligations.

Mrs. Adele Cooper had samples of fruit cake for the members to taste. These cakes are made from a famous New Orleans recipe 80 percent costly fruits and nuts, and can be ordered in 2, 3 or 5 pounds, packed in lithographed tins with full color Holiday reproductions. Contact Elsie Robson if interested in ordering a cake. After adjournment of the business session, Mrs. Cooper, music chairman, who had arranged the program, accompanied her granddaughter Cynthia Cooper, a junior member of the Unit, when she sang "Our Country is the World". Honoring the birthday of Christopher Columbus, Bernice Reish read an article on the life of the celebrant, followed by the group singing "In Christ There is no East or West" from a church hymnal. Sarah Myrick closed the program with a prayer for Peace. Refreshments were served by hostess committee Laura Cooper, Martha Rauch and Bernice Reish.

The WSCS of Orland Park Methodist church met last Thursday afternoon in the church social room with Mrs. Harry Anderson, president, presiding. The meeting opened with a prayer and bible reading by Mrs. Robert Plastow. Following the business session, Mrs. John Isaacson of Glen Ellyn was introduced by Mrs. Anderson. Mrs. Isaacson is a personal friend of Mrs. Anderson of 30 years back when she was her Sunday school teacher in Chicago. Her message, "Walking With God" was very inspiring. Guests from Tinley Park, Chicago and Trona, Calif. were present. Mrs. Stone's husband is Interim Pastor of the Trona Bible church in Calif., who formerly resided in Chicago. Refreshments were served by Mrs. Fred Blackstone and Mrs. Sherman Knox.

The Doctor School Parent-Teacher meeting was held Oct. 11 with Mrs. Rudolph Bayer presiding. Following the business session, Mrs. Lynn Carl introduced Mr. David Bedel, juvenile officer of Homewood, who spoke on "What Makes a juvenile delinquent and what can be done to help them?" A question and answer period followed which was so interesting that the meeting did not adjourn until midnight.

The Doctor school PTA will hold its annual rummage sale at the school house Saturday, November 3 starting at 9 am. The public is invited to attend.

Members of the Orland Park Jr. Woman's club met at the home of Mrs. Robert Mulcahey Oct. 8, for the first meeting of the club year. Mrs. Clarence Creer, president, called the meeting to order. Following the reports of the various department chairmen, Mrs. Franklin Loebe introduced the speaker, Mr. Robert West, consulting engineer of DeSoto B. McCabe and Associates. Mrs. William Baldwin was introduced as a guest. Refreshments were served by Mrs. William Brown, Mrs. Harry Steinfatt and Mrs. William Grosskopf.

The day circle of the Methodist WSCS will meet with Mrs. Fred Blackstone, Thursday at 11 a. m. Oct. 25. Bring a sandwich, the hostesses will serve dessert and coffee.

The meeting of Laurel Camp 1796 R N A will be held in the home of Violet Cooper, Thursday Oct. 25 at 8 p. m. All members are asked to attend.

Over the week end of Oct. 6, Mr. and Mrs. Ralph Town and daughter, Sally motored to Bellevue, Ohio to visit relatives. The route taken was over the new Indiana and Ohio turnpike which cut the traveling time about three hours.

Mr. and Mrs. Harry Ahnell have returned from a 3 weeks vacation visiting relatives in Pasadena, Glendale and Los Angeles, Calif. They report having had a wonderful time.

Mrs. Foster Myrick entertained at a luncheon for a few of her friends Monday.

Mrs. Karl Ekberg attended the birthday party for President Eisenhower held in the general dining hall at Oak Forest Infirmary, Oct. 12, which was sponsored by the organized Republican Women of Cook county. She had 14 home made cakes which were donated by women in Orland Park, for the party, and helped serve same. Mrs. Ike Cleveland accompanied Mrs. Ekberg. Congressman William McVey and wife were present as well as many candidates on the Republican ticket for the coming election.

A surprise baby shower was given in honor of Mrs. Wm. Workman of Oak Lawn, by her sister, Mrs. John Urbas of Chicago. The party was held in the home of her mother, Mrs. Edith Granat, Sunday afternoon, Oct. 14, with about 26 guests present. The honored guest received many lovely and useful gifts.

Merion bluegrass has been much more susceptible to rust damage than Kentucky bluegrass, says a University of Illinois plant pathologist, but it's possible that some strains of Merion are more rust resistant than others.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Mr. and Mrs. H. G. Niebrugge entertained his mother and brothers from Effingham last week end.

Oct. 10, the Cub Scouts of Den 3 had a hoboe party. Mrs. Yoman their den mother, met the Laguna Woods Scouts at the home of Ricky Eckol where she and the boys from Palos Highlands accompanied Rickey, Bruce Niebrugge and Charles Harris to their respective homes for "hand outs" and then back to the Highlands for a marshmallow roast at Mrs. Yomans home. Yesterday and every Wednesday that the weather is nice the dens plan to be out of doors.

Charles Harris received the last of the series of three polio shots Saturday at the office of Dr. O'Reilly where many other children were gathered for that purpose.

The October Koffee Klatch will be held at the home of Mrs. Arthur Arnold Thursday, Oct. 25.

Friday evening the Guardian Angel guild of the Viatorian Fathers met at the home of Mrs. M. L. McBride. A potluck dinner was held and attended by 27 members and their families.

Mr. and Mrs. John Tabbert have returned from a week end visit to Kenosha, Wis., where they visited with friends.

Last Sunday Mr. M. J. McBride left for a visit to his brother in Coral Gables, Fla. Mr. McBride was driven to the airport by his son and daughter in law, Mr. and Mrs. M. L. McBride with whom he resides.

We are looking forward to having new neighbors at the end of this month. Mr. and Mrs. William Murphy plan to move into their home on the 25th.

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test
on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

FIRST WITH THE MOST MODERN FEATURES:

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

Observe Ike's Birthday At Infirmary

President Eisenhower's birthday was celebrated by the patients of the Oak Forest Infirmary, Friday, Oct. 12. Over 1500 patients were served birthday cake and coffee.

Many prominent people attended the Ike day celebration. On hand, helping to serve, were Congressman William E. McVey and Frank M. Ozinga, candidate for state senator in the 6th district, Harold Hoover and Terrel Clarke, candidates for state representatives of the 2nd district and many others.

Mrs. Gail Kistner Link, accompanied by Mary Purvis and her son, presented a musical program. Lester Mahaffay, Republican committeeman of Palos township and former assistant superintendent of the Oak Forest Infirmary, was master of ceremonies.

Over 300 Eisenhower birthday cakes were served. These cakes were decorated with American flags and messages and, on one was a hand drawn picture of the President's smiling face. Mrs. Helen W. Dormitzer, chairman of the women's division of Republican Central committee of Cook county expressed her appreciation for the response to the request for cakes.

Mrs. Margaret Hunt, Republican committeewoman of Worth township and chairman of the affair, extends her thanks to everyone who participated in making this party a success.

S W Conference Holds Meeting of Student Council

The Southwest Suburban Conference held the first of three student council meetings for the 1956-57 school year at Lincoln-Way High school Oct. 10. The schools represented were Bremen, Carl Sandburg, Evergreen Park, Lincoln-Way, Oak Lawn, Reavis and Rich.

The meeting was opened by Ronald Knakmuhs, Lincoln-Way Student council president, who in turn introduced A. Hunter Chapman, principal of Lincoln-Way, who gave the welcoming address. Following Mr. Chapman's speech, the Lincoln-Way student council put on a demonstration meeting for other councils.

When the demonstration meeting was adjourned, Van Wakefield from Bremen High school, led a question and answer period in which the schools exchanged ideas. The general assembly was then adjourned to the cafeteria where a banquet style turkey dinner was served. The next conference meeting will be held at Bremen Jan. 9.

Chest Drive

The 1956 Community Chest campaign is officially underway throughout Will county.

More than 1600 workers in the county are canvassing in behalf of the 17 Chest agencies servicing the area. The drive will run until Oct. 22. The goal is set at \$262,030.

The country towns division started their drive two weeks ago. The extra time was needed because of the wide rural area to be covered.

Area chairmen point out "The Chest makes sense. This way we have one drive—not 17." William Blaha and Ray Westlund of Mokena are co-chairmen; Ted Massey heads the drive in Frankfort and Glen Vally is chairman for New Lenox.

Publishers Urge Defeat of Blue Ballot in Nov. 6 Election

Jack Sundine, Moline publisher and chairman of the Taxpayers Information Council, warned Illinois citizens today against voting for the proposed Blue Ballot Revenue amendment Nov. 6 in the hope of getting lower taxes.

"Our schools and state institutions obviously cannot manage with less revenue, and it is ridiculous for proponents of the Blue Ballot to imply that passage of the Blue Ballot will lead to lower taxes."

The proponents of the Blue Ballot publicly stated that passage of the amendment will lighten the property tax burden in Chicago," Sundine said.

"The fact is the average person doesn't even pay personal property taxes in Chicago, so whose taxes are being lightened? Moreover, the Illinois Industrial Union Council, AFL-CIO has pointed out that the proposed amendment will result in a shift of the real estate tax burden from income producing property such as loop office buildings to home owners. Once more, who is getting tax relief?"

Sundine said "the little man will also run the risk of being hit by a payroll tax. Citing newspaper reports indicating that Chicago's Mayor Daley will seek a payroll or earnings tax if the Blue Ballot is adopted, Sundine lot will permit any city in Illinois to levy a payroll tax in which the tax is withheld from the employee's pay-check as is done in the case of the federal income tax.

"The most shocking aspect of the entire situation," Sundine said, "is the fact that the wool has been pulled over the eyes of legitimate civic organizations who are fostering the Blue Ballot without having any conception of its real effect on unsuspecting and unorganized home owners and wage earners."

Sundine said he favors defeat of the Blue Ballot on November 6 and enactment of another that will cure defects in the present Revenue Article and yet protect the public against tax abuses.

Tinley Personals

Dinner guests at the home of Mr. and Mrs. Veryl Butterfield of Sayre avenue on Sept. 30 were Mr. and Mrs. Ray Callahan and sons of Wolcott, Ind., Mr. and Mrs. Harry Hagood of Milford, Ill., Mr. and Mrs. Leslie Hagood and boys of Gilman, Ill., Mr. and Mrs. Claude Butterfield; Mr. and Mrs. Al Sorensen, Jr. and son and Mr. and Mrs. Dean Pettit and son. Later in the evening, Mr. and Mrs. Hank Leader and sons of Chicago Heights joined the group. Three birthdays were celebrated by those present. The happy birthday song was sung for Red Butterfield, Leslie Hagood and Tracy Lee Pettit.

Officer Peter Seeley of the Tinley Park Police department, attended the Illinois Police convention as a delegate, at Peoria, Oct. 14, 15 and 16.

Mrs. William Rick entered Silver Cross hospital, Joliet, last Thursday as a surgical patient.

Mr. and Mrs. Voris Miller spent the week-end with their daughter Patricia, who is a freshman at Beloit college, Beloit, Wis.

Mr. and Mrs. Harry Douglas of 167th st., have just returned from a wonderful three week vacation visiting with their son and family, in Whittier, Calif. While there they saw all the places of interest, such as the Sequoias, Yosemite, Tia Juana. On the way home they stopped at the Grand Canyon.

Daniel Hartman, infant son of Mr. and Mrs. Bernard Hartman, Jr., was christened in St. George's church Sunday, Oct. 14. Following the ceremony a dinner was given at the home of his parents attended by many friends from Chicago, Orland Park, New Lenox and Tinley Park.

Mr. and Mrs. Jim Hawken celebrated their sixth wedding anniversary this past week.

Philip Fowler, chief steward of Local 336, Illinois Bell Telephone Co., spent the week of Oct. 8 in Springfield, attending the 74th annual convention of the Illinois State Federation of Labor.

The Kirby-McIntosh PTA met Oct. 9 at the school. Chairmen for the various committees were elected. Mrs. Walter Fierke was present to offer her assistance and suggestions. Due to the resignation of the vice president, an election was held and Mrs. Lester Rockrohr was elected as the new vice president. The next meeting will be held Tuesday, Nov. 13.

The Cub Scouts in Den 4, pack 255 had a rather unusual den meeting Monday. After a spaghetti supper in the home of the den mother, the group motored to the loop where they attended the telecast of Kukla, Fran and Ollie. Puppets is the theme of the month and the boys were especially interested in seeing just how the show is put on. Dessert was enjoyed at the Bauman home upon their return to Tinley. Those making the trip were Den Chief Bob Wilkens; Cub Scouts, Scotty Roe, Robert Robinson, Jackie

Decker, Glenn Gungel, Jay Brosius and Richard Bauman; Den Mother, Mrs. LeRoy Bauman; Mr. and Mrs. Melvin Gungel, Rickie and Carol, Mr. Bauman and Tom.

Free Nursery at WSCS Luncheon

The Dorcas circle is in charge of the WSCS special luncheon to be held in the Tinley Methodist church Friday, Oct. 25, at 12:30. One hundred women will enjoy this luncheon of national advertised foods. A free nursery for preschool children will be available with cookies and milk being served. There will be a program and prizes. Reservations must be made in advance. For tickets call Mrs. Adalbert Rowe, Kellogg 2-4509.

1957 Dodge to Make Debut io Nation Oct. 30

A record number of newspapers throughout the country will be used to launch the 1957 Dodge advertising campaign, Wendell D. Moore, Dodge assistant sales manager-advertising and sales promotion, said today. The new models make their debut Oct. 30.

"More than 4,000 papers including every important daily across the nation, will carry advertisements of the 1957 Dodge models during October and No-

vember," Moore said. "Approximately 1,000 of these are in major market areas. Smaller dailies and important weeklies, totaling about 3,000, also will be used to convey the story of the all-new 1957 Dodge, from the 'Wonderful World of Autodynamics.'"

The powerful, basic newspaper campaign will be augmented, Moore declared, by the use of thousands of radio and television spot announcements, magazine advertisements in full color, and striking commercials on the two Lawrence Welk television shows.

Outdoor and transportation advertising will complete the 1957 Dodge advertising lineup.

Mrs. Edith Warning, delegate, gave a report on the Eastern Will county council meeting at Frankfort. It was decided to pay the unit share of the council banquet expenses from the contingency fund. It was decided also that the luncheon tables purchased last year are to be used in the school building only, by the school organization only.

John Oster, superintendent, said there have been several cases of Impetigo in the school and asked parents to watch for symptoms. He also said there will be a Halloween parade this year for the school children and prizes will be awarded for the best costumes.

Mrs. Muriel Korista, program chairman, introduced the Rev. Paul E. Thurlow of Braidwood, who gave a talk on the causes of delinquency. He noted the alarm in increase in this country, and spoke briefly on what is being done to combat the situation thru out the world. Mrs. Charlotte Sproat, hospitality chairman, announced that room count was won by Mrs. Davies' 3rd grade room with 52% attendance.

New Home Bureau Executive Board Members Meet

Six members of the Will county Home Bureau executive board met Monday, Oct. 8, in the conference room of the Farm Bureau building in Joliet. Mrs. Edward Berens, president, presided at the meeting. This was the first meeting for new board members elected at the annual meeting held in Wilmington, Sept. 26.

These present were Mrs. Berens, Mrs. Wilbert Lauffer, Mrs. Clair Hemphill, Mrs. Harold Scheer, Mrs. Howard Kurkamp, and Mrs. Arnold DeMik.

Reports were given by Mrs. Hemphill on membership, and Mrs. Kurkamp on program planning for the year.

The Home Advisor gave an account of her activities during the preceding month. Officers training school was held on Oct. 4 with many local officers attending.

Miss Kimmelshue, a 4-H extension worker from the University of Illinois was in the county during the past month, selecting outstanding members records of 4-H girls. Many of

4-H girls will be calling for community chest donations in the communities.

Achievement night for all 4-H's will be held at the Pershing school in Joliet on November 8.

A calendar of work for the coming year was prepared, and county committees were named.

November will be "Units choice" month, with many varied activities being planned by local units, including craft day, tours, speakers, etc.

The next meeting will be held Nov. 12.

Laymen to Speak In Methodist Church Sunday

Laymen will speak in most of the 374 Methodist churches of Rock River Conference (northern Illinois) on Laymen's day, Sunday, Oct. 21, according to John Van Sickle, conference lay leader from Rockford.

The 374 churches in northern Illinois will join the 40,000 Methodist Church in the United States and churches of other major Protestant bodies in the observance.

Theme for the day, selected by the Department of United Church Men of the National Council of Churches, is "The Truth Shall Make You Free."

A special program has been prepared for Methodist churches by Ray H. Nichols, a Vernon (Texas) newspaper editor and

president of the general board of lay activities of the Methodist church for the past 12 years.

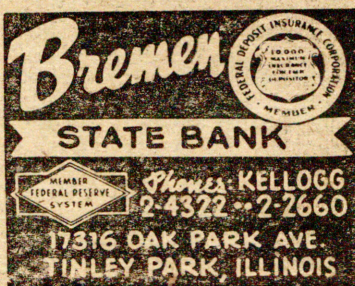

Robert G. Mayfield, general secretary of the board of lay activities of the Methodist church with offices in Chicago, said the general conference of the Methodist church recognizes Laymen's day as one of the most significant days of the church calendar and has lifted it up as one of the special days to be observed in all churches across the country.

The purposes of Laymen's day include the enlistment of some 100,000 laymen thruout Methodism for training and inspiration, and discovering within the lay movement those men who have special gifts for public speech or religious subjects, Mr. Mayfield said.

Lists Eleven Careers That Offer Brightest Job Prospects

Your chances of landing a good job are brightest if you know where the biggest shortages of workers are, says the editors of CHANGING TIMES, The Kiplinger Magazine. Right now, the editors report, shortages of trained people have created thousands of openings in the following eleven jobs:

Mechanic - Tool and die makers, mechanics, machinists, building craftsmen have excellent prospects.

Office workers - The demand for every type of office worker is growing.

Accountant - Opportunities for expert accountants are increasing although strongest need is for cost accountants.

Technician - Heavy demand for semiprofessional technicians, such as chemical and engineering assistants.

Pharmacist - Retail and wholesale druggists, pharmaceutical manufacturers, hospitals and colleges urgently need registered

pharmacists.

Health technician - Nurses, x-ray technicians, therapists, dietitians, medical social workers, laboratory assistants all in short supply.

Engineer - Chemical, electrical and mechanical engineers in manufacturing are in acute need. Civil engineers are wanted by state and federal government agencies.

Psychologist - Hospitals need clinical psychologists, schools are using more vocational counselors, and those specializing in personnel are wanted.

Scientist - Nearly every type of scientist will find the job outlook good.

Economist - The demand for economists, market analysts and statisticians in both industry and government is growing.

Teacher - The shortage is severe at all levels. Heaviest need is for teachers in science and other specialized areas.

ATTENTION HOMEOWNERS When considering Combination Windows

Don't judge
by price alone!

WHEN YOU PLAN TO BUY COMBINATION STORMS AND SCREENS CHECK THESE POINTS CAREFULLY!

- ✓ **CONSTRUCTION:** Are they built of non-rusting aluminum, precision-fitted to your windows?
- ✓ **ECONOMY:** Will they save you dollars on fuel? Will they save money on repairs?
- ✓ **COMFORT:** Will they keep your family warm and protected in winter?
- ✓ **CONVENIENCE:** Will they relieve you of annoying changing, storing, hauling, etc.? Are they a permanent installation?
- ✓ **INSULATION:** Do they have insulating qualities as well as storm and screen protection?

MOKENA LIONS

Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me. (John 5:39.)

This advice of the divine Master is a message of supreme meaning. The human being, in communion with the Word of God, can very well say that he is in communion with the Father. Does this not mean the very breathing of eternal life? The Lord Jesus did not say in vain, "Verily, verily, I say unto you, hath everlasting life."

The soul that knows nothing about the light of biblical precepts and the spiritual refreshment of the gospel is miserable in spirit. The soul that is faithful to Christ possesses divine optimism. This optimism is really not the invention of us Christians; it is our faith in Christ who keeps us in constant communion with the God of the Bible. His continued grace keeps that optimism alive in us.

PRAYER

We thank Thee, our heavenly Father, for Christ Jesus, Thy Son and our Redeemer. We cannot thank Thee enough for Thy promise of eternal life through Him. Keep us faithful to Thee. Help us, as we pray the prayer He taught us, "Our Father who art in heaven . . . Amen."

THOUGHT FOR THE DAY

Jesus Christ, reveals God to us.

CHRISTIAN SCIENCE CHURCHES

Mankind's need for spiritual growth and progress will be stressed at Christian Science services this Sunday, October 21.

Reading from the King James Version of the Bible and "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will comprise the Lesson-Sermon entitled "Probation After Death."

Scriptural passages will include the following from Psalms (37:37): "Mark the perfect man, and behold the upright: for the end of that man is peace."

Among the selections to be read from Science and Health is the following (291:12-13): "Universal salvation rests on progression and probation, and is unattainable without them."

The Golden Text is from John (5:25): "The hour is coming and now is, when the dead shall hear the voice of the Son of God; and they that hear shall live."

Handy Jim's FIX-UP TIPS For the Home

Remedy Cracked Walls

CRACKED or disfigured walls can easily be remedied by covering them with paneling of predecorated hardboard. This paneling can be applied right over the old surfaces to present a fresh and durable decorative finish.

Marlite blocks are a popular choice for such jobs. Built for trouble-free service, the blocks

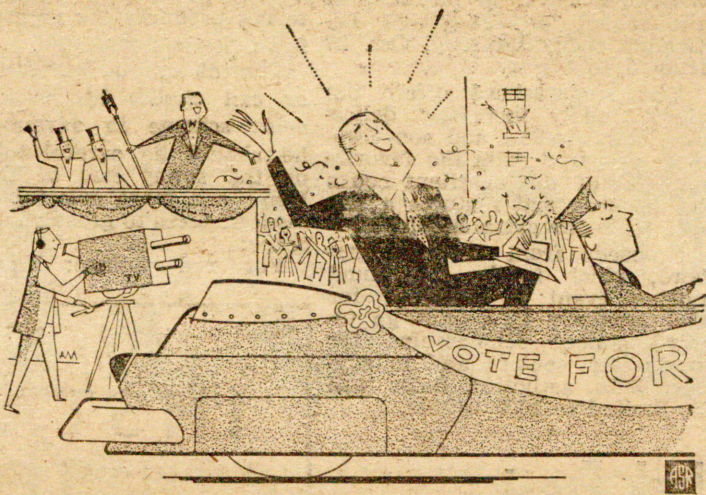

are made of sturdy tempered Masonite hardboard and surfaced with baked plastic, which defies dirt and wear.

Their 16"-square size makes Marlite blocks easy to handle, and their tongue-and-groove joint design makes them simple to install. They are applied with wall-board adhesive and metal clips.

While much used for ceilings, the blocks lend themselves to interesting wall treatments. In wood grains, the pattern direction may be altered on adjacent blocks for a basket-weave effect. Two plain colors may be combined to create a checkerboard pattern.

The blocks may be used with companion planks, 16" wide and 8' long.

Food Sense—Not Nonsense

Enriched bread, like the vote getter above, is the winning contestant at the nation's popularity polls. Year after year in the competitive food field it is the people's choice. Breadmaking has moved from the home to commercial bakeries out of which daily move 40 million loaves.

Here, where the race is diverted among numerous attractive varieties of bread, the decisive vote is won by enriched white bread—the people's choice. The new publications of the United States Department of Agriculture, "Bread—Facts For Consumer Education," reports that 86 percent of the families purchased enriched white bread during an average week. Second contender, whole wheat bread is bought by 22 percent of the consumers and the group—cracked wheat, rye and raisin breads—comprises items selected by 29 percent of households.

Interested in the wide margin won by enriched bread, the Department of Agriculture surveyed families in a midwest town regarding their preferences for

different types of "panned" enriched white bread. In this four-way competition—texture, sweetness, fat and milk contents—the popularity poll was won by a very light, fluffy loaf made by increasing the volume as much as almost 50 percent. For another aspirant, sweetness, the highest level of sugar was preferred.

The third test determined liking for different amounts of nonfat milk solids in the loaf. These influence texture and taste. Out and ahead, were the usual loaf made with four percent milk solids and the one with eight percent milk solids. These were preferred over breads made without milk. The fourth issue concerned fat content. Bread made with larger amounts of this ingredient failed to win appreciable votes.

State nurseries reserve their trees in the order in which the applications come in.

Maurice P. Angland

The Federal Reserve Bank of Chicago reports that the value of the country's output of goods and services for 1956 will show an increase of 5 per cent over 1955. It is expected that there will be new highs in employment, factory output, retail trade, business capital spending, and total construction.

The report points out that although a few industries were showing weakness such as automobiles and residential building, that the metals, glass and cement etc. that would have gone into autos, farm machinery and residential building, was badly needed in booming lines such as business equipment and non-residential building.

The bank expresses itself as feeling that there was a needed readjustment in 1956 and that the country's economy will be healthier because of it.

Most indicators point to very good business in 1957. It is expected that business expansion plans for 1957 will be considerably over what has been anticipated.

The Federal Reserve is intent on keeping a tight rein on money and credit to at least curtail inflationary pressures. There is a much greater fear of inflationary tendencies than in fear of any recession.

There is considerable pressure on the Federal Reserve Board to ease up on its present tight money policy especially in the residential building field. Coming during the national political campaign, this pressure is hard to resist.

Some critics of the "tight money" policy believe that the Federal Reserve is depending on credit controls and higher interest rates to curb inflation and that this has no influence on the real source of inflation—the continuing higher wage and material cost spiral. They do not believe that big-labor leaders are concerned or worried by Federal Reserve policies, in their efforts to increase wage benefits.

Recently there have been a number of substantial wage increases and these will inevitably be added to the prices of commodities involved.

Business for the balance of 1956 and for at least the first half of 1957, is expected to be very good. A survey of the National Association of Purchasing Agents indicates considerable optimism. This is based on larger bookings of new orders, stepped up production, upward price movements, very high employment and stabilizing inventories.

It is pointed out that there are very good reasons for ex-

cellent business;

a) Continued rise in consumer spending aided by higher wages.

b) Expanded national and state government spending for road programs, schools, St. Lawrence waterway, defense program, and other public works.

c) Prospects for a good year for automobiles.

d) Heavy spending for plant improvement. To offset higher wage and material costs, industry must try to increase productivity of its workers thru new and better machinery and processes.

It is expected that results of business activity over the next few months will carry the Federal Reserve index of industrial production beyond its former peak.

Mr. and Mrs. Charles Stinson and daughter, Betsy, of Kankakee, were surprise visitors at the Owen Maue home, Sunday. Mrs. Stinson and Mr. Maue were former college classmates and entertained with reminiscences of their college days.

Cub Scouts, den 5 of pack 218, held a regular meeting in the John Cruise home, Thursday afternoon. Puppet projects were completed and a tour thru the Semmler Newspaper plant in Mokena was enjoyed. Three prospective members were visitors at this meeting of the pack. Much activity has been going

on throughout the community in preparation for the sixth annual smorgasbord of the Orland-Palos are sponsored by the Carl Sandburg PTA, to be held in the school, at 133rd and La-Grange road, Saturday, Oct. 27 from 5 to 8 p.m.

This smorgasbord offers the finest foods, including delicacies, both Swedish and non-Swedish, prepared from the favorite recipes of the excellent cooks in the area and features a second table for extra helpings.

Proceeds from the smorgasbord, which is the only fund raising event of the year for the Sandburg PTA, will go toward college scholarships for graduating seniors and to support PTA activities. Sales will be limited to 1000 tickets.

Jack Frost Needs Sun to Do Best Work

Autumn artist Jack Frost can't be expected to paint masterpieces in your back yard unless he is fired with solar energy.

Jack needs sunshine as well as cold nights for his best efforts, according to Davey tree experts. Warm, bright days and cool nights below 45 degrees—but not necessarily with frost—are the combination needed to produce brilliant red and orange autumn leaves.

Sunshine helps leaves manufacture a good deal of sugar. When daytime warmth is follow-

ed by a sudden temperature drop, sugar and other materials are trapped in the leaves. And the accumulation of these materials produces the pigment for fall's freedom colorama.

The discriminating tree buyer can choose his back yard color scheme in advance, but he should be careful to plant on the sunny side of the lot. Here is a more colorful assortment of trees to grace your landscape:

For red foliage: Flowering

dogwood, Franklinia, Japanese maple, red maple, sugar maple, pinoak, scarlet oak, white oak, sourwood, shadblow, serviceberry, American sweetgum and black tupelo.

For orange foliage: Cockspur hawthorn, American hornbeam, sugar maple, black oak, common sassafras and Tatarian maple.

For yellow foliage: White oak, common honeylocust, American Kentucky coffeetree, ginkgo, redbud, tuliptree and black walnut.

LINCOLN ESTATES

Monday, Oct. 8, the regular PTA meeting was held at Ann Rutledge School in Lincoln Estates.

Mrs. Donald Ball, president, presided at which time it was decided to have a chicken dinner at the school on Sunday, October 21, starting at 12 o'clock. Those serving on the committee are, Mrs. G. Chapman, Mrs. C. Jones, Mrs. J. Machtemes, Mrs. J. Milota, Mrs. J. Van Donk and Mrs. R. Wheeler.

A special vote of thanks was given to Mr. Walter Niedringhaus, membership chairman, for his efforts in enrolling 103 members with a total of 87 families represented.

An announcement was made of the November meeting which will be held on the 1st of November instead of the regular meeting date. This meeting will be held in conjunction with the Will County Area Council meeting at the Ann Rutledge school November 1st, 1956 at 8 p.m.

The pupils of the 1st, 2nd and 3rd grades under the direction of their teacher, Miss Jean Boleman, presented a program. The boys wore hats and girls bonnets which each child had made in class.

There were folk dances, poems and songs by the following, Nancy Delaney, Donald Scates, Billy Madsen, Tim Chapman, James Vaughn, Katherine Rucker, Katherine Martin, Karen Henk, Charles Smith, Jerry Abbott, Karen Olsen, Michael Weston, Terry Eggleston, Elaine Urbano, Jayne Wheeler Melvin Swinson, Christine Bulanda, Carol Van Donk, Gloria Kubeck, Diana Hancock, James O'Connor, Marilyn Kluth, Virginia Dixon, Dale Knapp, Patricia Balsie and Donald Ball.

A girls trio consisting of Patty Balsie, Gloria Dixon and Jayne Wheeler sang "Whatever Will Be, Will Be," accompanied by Mrs. G. Kaehler. Elaine Urbano played a piano solo, "Parade of the Wooden Soldiers."

Refreshments were served by the hostesses, Mrs. J. Delaney, Mrs. S. Kubeck, Mrs. J. Tyler and Mrs. R. Urbano.

An interesting fact which makes food for thought was revealed by the Wall Street Journal while making a survey of what it means to a city to be selected as the site for a political convention. The people who should know, cabbies and bellhops, say Democrats are five times more liberal than Republicans. Some interesting questions might be raised as to just what this proves.

A surgeon revealed in a paper prepared for the American Association of Plastic Surgeons, that babies born with extra fingers or toes may have them removed and stored within their bodies where they can live and be transferred later to someone who has lost these digits thru accident. Four children have had either a finger or toe "stored" in their bellions for more than two years and the parts are still healthy.

Andrew Jackson was the only President of the United States ever to engage in a duel. In 1806 long before he was president, he challenged Charles Dickinson because he maligned his wife's name. The duel was fought with pistols and Dickinson died as a result of the bullet wound.

What put the magic in the new kind of FORD?

The new Ford Fairlane 500 (118-inch wheelbase). Longer, lower, larger than many medium-priced cars, yet lower in price than most of them!

The roof got lower. And it's designed to let you make the easy entries and graceful exits you've always known.

The body got quieter. It's the strongest body built for a low-priced car. No car in Ford's field has such generous sound-proofing.

The room got bigger. There's head room to spare for a tycoon-type hat. There's real stretch-out leg room, too.

The lines got sweeter. They have the Touch of Tomorrow. Each graceful contour says, "Let's go!"

The style got smarter. With this new-look Ford you have a car that belongs anywhere! All Fairlane models look like hardtops.

The value got greater... the price is still Ford-low.

Social Studies

By Spencer Brown

How to vote this coming election? Have you asked yourself this difficult question? This is only one of the vexing problems that the government classes at Carl Sandburg High school seek to answer.

Learning even the basic framework and operations of our three level government, local, state and federal, would more than occupy any student for a full year. Pity our poor students who must jam this mountain of material into a half year course.

The world being what it is—a mere basketball in terms of air mileage, the voters of tomorrow cannot overlook the role of the United Nations in their quest for the facts that will give them a well rounded and intelligent outlook on our problems.

Insuring educational opportunities, security for those over 65, winning a lasting peace, these are but a few of the problems that our future generation of citizens must face, not only on the national but on the international level.

To solve these problems requires more than knowledge. Keen, clear thinking ability along with an understanding heart are necessities. The development of these qualities is the aim of the entire social studies program.

The social studies curriculum includes courses in:

United States history, a one year course which will enable the student to understand the origin and development of our country. This course also helps the student to appreciate and understand the problems now facing government as a world leader among nations.

Government, a one semester course required for graduation. This deals primarily with state

and local governments. Sociology, World Geography, World History and Economics are offered as elective courses.

Spencer Brown, Mrs. Rosemary Brown and Henry Meier teach social studies.

All-Boy Assembly

Modern design and construction of automobiles, including a film on how manufacturers test new features on cars, were presented by representatives of General Motors Craftsman guild to an all-boy assembly at Sandburg on Tuesday. Students were invited to participate in a contest designing future autos. Prizes being offered total \$150,000.

Agent Explains Farm Home Loan Expansion Plan

The farm ownership loan service which has enabled many farmers to buy, enlarge, or improve their farms with 40-year loans has recently been expanded to enable the Farmers Home Administration to serve the credit needs of a larger number of farm families, Robert C. Becker, the agency's supervisor, explained today.

Under recent legislation loans may now be made primarily to refinance existing debts of owner-operators of farms no larger than family-type. In the past the agency only refinanced loans when the refinancing was incidental to the making of real estate loans for the purchase or improvement of family-type farms.

Mr. Becker said the loans for refinancing will help farmers who have adequate real estate security and who are otherwise in a sound position but who are unable to meet their present credit obligations and need credit on more favorable terms and conditions than are currently available from other lenders.

When debts are refinanced by the Farmers Home Administration under this program, the repayments will be scheduled over periods up to 40 years according to the borrower's ability to repay. Interest, or interest plus insurance charges, will be 4%

per cent.

The regular credit services of the agency including loans for the purchase and improvement of family-type farms are continued.

Private lenders supply most of the funds for the agency's farm real estate loans under the insured loan program. The lender receives 3½ per cent interest and the government charges an additional 1 per cent for insurance. The Farmers Home Administration makes, services, and collects the loans.

The new law also provides loans for developing and improving farms that are smaller than family-type. To be eligible an applicant must be an established farm owner, carrying on substantial farm operations and time farming. He must also have a dependable source of outside spending a major part of his income.

These loans will assist farmers who own small farms and rent additional land and small farm owners who depend on off-farm employment for part of their income. The credit can be used to improve land and buildings.

The interest rates and terms are the same as those for loans made for refinancing debts. Interest, or interest plus insurance charges will be 4½ percent. The loans will be repayable over periods up to 40 years.

Like the loans that were already available, loans under the new authorities will be made only to applicants whose credit needs cannot be adequately handled by banks or other lenders.

Manteno Hospital To Hold Classes For Volunteer Aides

The volunteer service program at Manteno state hospital will hold orientation and training classes for volunteers, on Tuesday, Oct. 23 and Tuesday, Nov.

End this drudgery
with an Electric dryer....the kind that's
fully automatic, fume-free, fast and thrifty!

A friend of ours calls her electric dryer "automatic sunshine" because electric heat is so bright and radiant.

You can wash when you want to and be sure your clothes will dry soft, sweet-smelling every time. No fumes, no dried-in-the-basement odor.

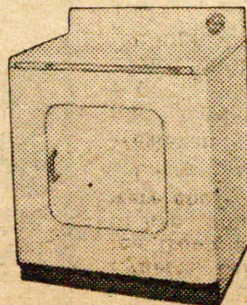

All electric dryers are fully automatic and give you the

driest heat there is. You can do a load of cottons in 25 to 30 minutes. (Takes only 6¢ worth of electricity!)

You'll notice that all the "no-vent" dryers are electric. Heat, lint and moisture just disappear down the drain.

Isn't it time you took a look at the new automatic electric dryers?

Electric Dryer Demonstrations—14 New Models
Daily 9-5. Electric Living Institute 68 W. Adams.
See them all, then see your electric appliance dealer.

Need new wiring to install your Dryer? Ask your dealer about our Share-the-Cost Plan. It's the low-cost way to get the modern 100-amp home wiring you need for today's electric living appliances. The Plan is available to qualified home owners on terms up to 2 years.

If you own an electric range, you save up to \$25 on a new dryer! In fact if you have any 240-volt appliance, your home probably has modern wiring already. This means the complete, installed price of your new electric dryer will be less than any other kind.

Just 6¢ will dry a big load
—electrically!
